## Fish Bowl Counting Game

To assemble:

1. Print out all pages. Laminate pages with fish bowls. Cut out each fish. Laminate.
2. Place loop Velcro dots on fish bowls, matching the number of dots to the number on the page.
3. Place a hook Velcro dot on the back of each fish.
4. Place fish bowls and fish in a plastic bin.

To use:

Student will place the correct number of fish on each bowl.
